

## STEPS TO SUCCESS WITH BIONESS

*It's as Easy as 1-2-3!*

Follow these easy steps to obtain your L300® Foot Drop System, H200® Wireless Hand Rehabilitation System or L300® Plus System.

## *Start Your Journey TODAY*

### STEP 1: Evaluation

The first step is to be evaluated by a trained healthcare provider. An evaluation to see if the device will work for you is required as each device is individually fitted and programmed.

Contact us for a preliminary screening and to schedule an appointment to try the device.

- 1.800.211.9136, option 2
- Live Chat on [www.bioness.com](http://www.bioness.com)
- Fill out a contact form on [www.bioness.com](http://www.bioness.com)

We will assist you in every step of the way including:

- Finding the nearest trained clinician & setting up a free evaluation/screening
- Setting up your screening appointment

### STEP 2: Prescription

If your clinician determines that the device is appropriate for you, we will help you with obtaining a **Prescription and Medical Release Form** for the device from your physician.

### STEP 3:

After we've received your prescription, your Bioness Representative will work on your behalf to verify insurance benefits, submit pre-authorizations and discuss your options for obtaining your device.

**Contact Bioness today at 1.800.211.9136, option 2 and a Bioness Representative will work with you to get started today.**

Individual results vary. Consult with a qualified physician to determine if these products are right for them.

Contraindications, Adverse Reactions and Precautions are available on-line at [www.bioness.com](http://www.bioness.com) (also available in the L300/L300 Plus/H200 Wireless User's Guides).
