

The **BIONESS TECHNOLOGY EXHIBIT** is

# *On The Move*

Be One of the  
*First*  
To Host an Event!

## ARE *you* A LEADER IN REHABILITATION?

Now you can host and experience our full suite of rehabilitation solutions in the **Bioness Technology Exhibit**, a mobile showcase highlighting the Vector Gait and Safety System<sup>®</sup>, Bioness Integrated Therapy System (BITS<sup>™</sup>), L300<sup>®</sup> Plus System, H200<sup>®</sup> Wireless Hand Rehabilitation System and much more.

Dynamic Body Weight Support  
Functional Electrical Stimulation  
Marketing Solutions

Visuomotor Training  
Clinic Support Programs

## WHAT IS THE BIONESS TECHNOLOGY EXHIBIT?

A mobile showcase platform that transforms from a 27' trailer to a state-of-the-art showroom in just 30 minutes, the exhibit can be displayed in any designated outdoor space at your facility to provide the optimal viewing opportunity for invited guests.

## DISPLAY SPACE REQUIRED

Spec	Dimension
Length	31'4"
Width	13' 0.5"
Exterior Height	13'6"

## BENEFITS OF HOSTING THE BIONESS TECHNOLOGY EXHIBIT

1. Be recognized as a thought leader in rehabilitation
2. Expose your team to the most innovative technology in rehabilitation
3. Invite other hospitals in the region to your facility
4. Create learning opportunities and excitement among staff
