

BIONESS PEER USER PROGRAM FOR NEW BIONESS CUSTOMERS

Find out if Bioness Technology Is Right for You!

Bioness is excited to introduce a new Peer User Program for new and prospective customers seeking more information about the NESS L300™ Foot Drop System and NESS H200® Hand Rehabilitation System.

A conference call format offers new and potential customers a chance to communicate with other individuals who have central nervous system (CNS) injuries and who have used, or are currently using Bioness technology.

The Peer User Program features:

- Person-to-person connection with Bioness technology users
- TOLL FREE ACCESS NUMBER
- Manned by individuals with personal experience using the NESS H200 and/or L300
- A confidential forum to ask questions and learn from others

CALL 877-HOPE145 (877-467-3145) for dates and times of upcoming conference calls. RSVP for the call that works best for you.

TALK TO SOMEONE “WHO HAS BEEN THERE!”

Individual results vary. Consult with a qualified physician to determine if these products are right for you.

Contraindications, Adverse Reactions and Precautions are available on-line at www.bioness.com (also available in the NESS H200/L300 User's Guides).
